

## What is the Provider of Excellence Award?

The TriState Provider of Excellence Award acknowledges a provider's commitment to the health of our community. They show their commitment by valuing and embodying the following attributes:

- Community Impact
- Leadership
- Integrity
- Patient-Centered

A single provider of any specialty will be awarded this recognition every year on National Doctors' Day.

## A Tribute to Dr. Richard Weiland

The TriState Provider of Excellence Award was created in honor of Dr. Richard Weiland, one of the original four primary care providers who joined the Tri-State Memorial Hospital Primary Care Clinics in 2011. Since then, TriState Family Practice has grown to have over twenty primary care providers and multiple specialty providers to meet the healthcare needs of our community. Dr. Weiland truly represented what it meant to embody TriState's mission and vision through leadership, integrity, community involvement, and patient-centered care. He was firmly committed to his patients and volunteered his time at the Snake River Medical Clinic. He was immersed in several leadership roles during his time at TriState and served for almost three decades as Medical Director of Tri-State Memorial Hospital Home Health and Hospice, now known as Elite Home Health and Hospice. Through his leadership and patient-centered care, he paved the way for what each TriState provider strives to be. Dr. Weiland passed in 2015 after complications from heart disease. We are honored to have had Dr. Weiland as part of our TriState team.

## Who can nominate a provider?

Patients, family members, co-workers, physicians, or staff can nominate a provider who gave extraordinary compassionate care.

## How do I nominate a provider?

There are three ways you can nominate a provider:

1. Go online to [TSH.org/DoctorsDay](https://TSH.org/DoctorsDay)
2. Drop a nomination form (reverse side) into a ballot box located in various locations around the hospital campus
3. Mail in a nomination form to:

TriState Health  
ATTN: Marketing & Communications  
1221 Highland Avenue  
Clarkston, WA 99403

**TriState Health**

*Foundation*

1215 Evergreen Ct, Suite 1 • PO Box 636  
Clarkston, WA 99403
